

KILLED ON TRESTLE

Former Jailer of Montgomery
County Meets With Tragic
Death.

Mt. Sterling, Ky., Feb. 6.—Chas. T. Wilson, of this city, was instantly killed and Wm. Bailey slightly hurt, when they were struck by a Lexington & Eastern passenger train near Indian Fields this evening. The men, who were trailing some robbers with bloodhounds, were caught on a trestle and were unable to escape. The dogs were also killed.

Mr. Wilson was about 50 years old, and leaves a wife and one child. He was formerly chief of police and county jailer, and was widely known all over Kentucky. The body was brought to his home here tonight.

Milk In Sterilized Bottles.

Ask your dairyman if he uses sterilized milk bottles. Cleanliness is next to godliness. Sanitary precautions save doctors' bills. Unsterilized milk bottles after being used in sick rooms may spread disease germs in other homes. I use no bottles that are not sterilized and kept in the sterilizer until ready for use. The milk I sell is perfectly safe and is especially suitable for babies. Every utensil used about my dairy is thoroughly sterilized before using. No risk is taken when you buy from me.

C. R. ATKINS.

Consumers Consumed.

Dr. L. P. Brown, inspector of weights and measures in Tennessee, reports that out of 2,939 establishments inspected one-third were found to be wrong. Of the lineal measures in the state 83 per cent and of the liquid measures 75 per cent were found to be short. Of 3,500 scales 46½ per cent were illegal. His conclusion is that the purchaser is robbed of five per cent of everything bought in the state by weights and measures, a sum that amounts to millions of dollars.

Annual Inspection.

The annual inspection of the local military company will take place at the armory here next Friday night, Feb. 12th. The inspection will be made by First Lieutenant J. J. Burleigh, of the Third Infantry, United States army, assisted by Col. J. H. Henry, of Hopkinsville, and Major Henry Rodgers, of Earlington. Company E now has 60 men enrolled.—Hustler.

Big Improvements Planned.

It is reported that the Illinois Central is to double track its line from Central City to Paducah at a cost of \$1,500,000. Ten civil engineers are now located at Dawson getting plans and specifications ready. One of the big things to be accomplished is the cutting down of grades and it is said the grade through Dawson will be lowered from 6 to 20 feet.

Short Eats.

A food shortage is being felt in Mexico City and unless relief is sent much suffering will follow, according to State Department dispatches.

REVENGE ON RUSSELLVILLE

Bethel Basket Ball Team Beats
Visitors By 15 to 5
Saturday.

The Bethel Female College quintet defeated the fast Russellville team in the local Armory Saturday night by the safe score of 15 to 5. Despite the comparative value of the score, the game was interesting and hard-fought throughout.

Russellville started off with a rush and scored their first goal in less than a half-minute of play, Miss Andrews making the points. A moment later their second tally was added on a foul, making a 3-0 score. Bethel missed a foul, then got one, raising the total to 3-1. Free-throws on each side ended the scoring for the half with Russellville on the larger end of a 4-2 score.

The second half started with a change in the Bethel lineup, Miss Adams replacing Miss Cross, and Miss Gilliland going in at forward. From the very beginning it was seen that the advantage was all Bethel's. Almost before the whistle had blown for the beginning of play, Miss Dotson had caged a pretty goal from the side, tying the score. A foul shot by Miss Adams netted one more, and put Bethel in the lead for the first time in the game. Tallies by Miss Gilliland and Miss Harris raised the score to 9-4, before Russellville totalled her last point on a foul. From this time on, Bethel played conservatively, and at no time did Russellville appear dangerous. The ball was in Bethel's territory for the most of the time, and out of many attempts, six points were added to the larger score, giving them an easy margin of victory.

Miss Andrews was hurt in the last few minutes of play, being forced to retire on account of a dislocated knee-cap. Miss Golay was substituted in her stead, but the time was too short for the accident to effect the score.

As a whole the game was one of the best ever seen in the local gymnasium. Fouls were numerous on both sides, the evenness of the teams, and the close rivalry between them being material causes.

The work of the officials was faultless. Mr. Evans and Mr. Brownell refereeing in a clean impartial manner.

The score and lineup:

RUSSELLVILLE		BETHEL
Misses		Misses
Andrews	f.	Adams
Golay		Gilliland
Edwards	f.	Harris
Gill	c.	Dotson
Merritt	g.	Cross
Bassett	g.	Adams
		Glover
Score—Bethel 15, Russellville 5		
Goals—Dotson 3, Harris, Gilliland, Andrews, Fouls—Adams—5 out of 12, Edwards—3 out of 9. Time—15-15. Referee—Evans, of Russellville. Umpire—Brownell, of Central.

FORBES MANUFACTURING COMPANY

INCORPORATED.

A Canteen With a History.

Capt. W. J. Stone, Commissioner of Confederate Pensions, Friday sent to the son of the late William Rickman, of Paducah, a canteen which his father had given Capt. Stone when he was lying wounded on the field after the battle of Cynthiana, June 12, 1861. Capt. Stone was wounded in the leg, the ball having splintered the bone so that it afterwards had to be amputated. William Rickman, of the Twelfth Kentucky Mounted Infantry, U. S. A., found him and asked him if he was thirsty. Upon being told by Capt. Stone that he was, Rickman filled his own canteen at a spring and gave it to the captain, who has kept it ever since.—Lexingtonian.

Formal Application.

Formal application for the extradition of Werner Van Horn, who is said to have attempted to destroy the railroad bridge into Canada, at Vanceboro, Me., was made by the English Ambassador. Secretary Bryan referred the request to the State Department Solicitor.

Robbery At Guthrie.

Elkton, Ky., Feb. 5.—Thieves visited the dry goods store of C. H. Brenner, at Guthrie, and stole a number of dress suit cases, suits of clothes and a lot of underwear. White's grocery store, located at the Kentucky-Tennessee State line, was also entered and some provisions were taken.

A TEXAS WONDER.

The Texas Wonder cures kidney and bladder troubles, dissolves gravel, cures diabetes, weak and lame backs, rheumatism, and all irregularities of the kidneys and bladder in both men and women. Regulates bladder troubles in children. If not sold by your druggist, will be sent by mail on receipt of \$1.00. One small bottle is two months' treatment, and seldom fails to perfect a cure. Send for testimonials from this and other states. Dr. E. W. Hall, 2926 Olive Street, St. Louis, Mo. Send by druggists.

The rich Turk rarely eats with his wife.

Forest Notes.

It is estimated that the government's Grand Canyon game refuge, in Arizona, now contains about ten thousand deer.

More than nine million young trees and ten thousand pounds of seed were planted on the national forests in 1914.

The government built more than two thousand miles of trail and three thousand miles of telephone line on the national forests in 1914.

At least 25 per cent of the larch timber over large areas in eastern Oregon has been killed or weakened by mistletoe, and the forest service is taking steps to combat the pest.

Success has followed forest planting on the sandhills of Nebraska. Jack pines planted there by the government forest service ten years ago now have a height of over 15 feet and a diameter of 4 inches.

Increasing use of the national forests by local farmers and settlers to supply their needs for timber is shown in the fact that small timber sales on the forests numbered 8,298 in 1914, against 6,182 the previous year.

Robbery At Richmond.

Richmond, Ky., Feb. 5.—George Banton was held up and robbed of \$26 near the Methodist church in the central part of the city. A prayer meeting was in session at the time. Several homes have recently been entered, including Judge A. R. Burnam's, where the burglars were shot at several times by Tony Burnam.

Large deposits of sulphur have been found in Southern Texas, and are to be developed in a manner similar to the development of the Louisiana sulphur fields.

How to Treat Croup Externally

Rub Vick's "Vap-O-Rub" Salve well over the throat and chest for a few minutes—then cover with a warm flannel cloth. Leave the covering loose around the neck so that the soothing medicated vapors arising may loosen the choking phlegm and ease the difficult breathing. One application at bedtime insures against a night attack. 25c, 50c, or \$1.00. At druggists.
